Rule 6.—All other subjects which come within the province of the Local Board may be dealt with at either ordinary or special meetings.

Rule 7.—Meetings shall be held at the office of the Local Board or at such place as the Local Board may from time to time determine.

Rule 8.—The notice under Rule 67 of the General Rules shall be sent by post or by such other method as may be convenient. The notice containing the subjects to be considered at the meeting shall be in English, and shall be signed by the Chairman; provided that a vernacular translation of the same shall be supplied to any member who does not understand English.

Rule 9.—Notices of motions accompanied by *verbatim* drafts must be sent to the Chairman in time to be included in the list of business for the next meeting. Notices received too late shall be inserted in the list of business of the next succeeding meeting.

Rule 10.—A notice book shall be kept by the Chairman, in which all notices of motions shall be entered. All such notices shall be dated and numbered as received.

Adjourned Meetings.

Rule 12.—An adjourned meeting, being merely a continuation of the original meeting, does not require any fresh notice.

CONDUCT OF PROCEEDINGS AT MEETINGS, &c.

Clause (b)—Order of business.

Rule 13. At ordinary meetings the business shall be conducted in the following order:—

- (a) The minutes of the last ordinary meeting, and of any special meeting held since shall be read, and, if approved as correctly entered, shall be signed by the Chairman of such meeting.

Rule 15.—In the event of any objection being raised to the manner in which any resolution has been recorded, the Chairman shall decide the question after reference to the original draft of the resolution, and, if he finds the minute to be inaccurate, shall make the necessary correction in the minute book.

Rule 16.—Unless by permission of the majority of the meeting, all subjects shall be discussed in the order in which they appear in the notice paper.

Rule 17.—Every motion and amendment duly moved must be seconded, and until seconded no debate thereon can take place.

Rule 18.—Every motion and amendment, after being reduced to writing under rule 74 of the General Rules, shall be signed by the proposer and seconder before being put to the vote.

Rule 19.—Every amendment shall be so worded as to be capable of making an intelligible sentence, either alone or in its proper place in an original motion, as the case may be, provided that no amendment can merely negative the original motion.

Rule 20.—After a motion has been moved and seconded, an amendment may be moved at any stage of the debate thereon.

Rule 21.—On the discussion being concluded, in the event of several amendments having been proposed the President shall put the last amendment to the vote first; if it is negatived,

he shall put the last preceding amendment, and lastly the first amendment; and if all the amendments are lost, the original proposition shall be put to the vote.

Rule 25.—Any member shall be at liberty to call the attention of the President to a point of order, even when a member is speaking. On a point of order being raised, the member addressing the meeting shall resume his seat until the question has been decided by the President. After the decision of the President, the same point of order cannot be raised again. Except as provided by this rule, no member shall interrupt a speaker in possession of the meeting.

Rule 26.—Except as provided in the last preceding rule, no member shall speak except to move or second a motion or amendment, or to support or to oppose a motion or amendment which has been duly moved and seconded.

Rule 27.—A speaker who has exhausted his right to speak on an original motion may speak on any amendment being moved, which raises a new question.

Rule 28.—The mover of a motion or amendment shall in all cases have a right of reply, but otherwise no member shall speak more than once on the same motion or amendment, unless in explanation of some part of his original speech.

Miscellaneous.

Rule 29.—Unless at least five members consent by signing a requisition, no subject once finally disposed of can be reconsidered within six months.

Rule 30.—When any business, of which notice has not been given, is considered at a meeting, the decision recorded or resolution adopted at such meeting must be confirmed at the next succeeding ordinary meeting, or at a special meeting called expressly for the purpose.

When this has been determined on, the rule prohibiting any person from speaking more than once on the same question shall be deemed suspended until the meeting resumes.

Rule 32.—When a motion or amendment is put to the vote, the President shall record against it, first, the names of members voting for it, and then the names of those voting against it.
